Dear Tim,

Since launching Repeat Returns in September, we have had a steady increase in sales. We also signed up 1 pharmaceutical representative that has turned over all her lunch caterings over to us for rest of the year that will increase our sales by over \$5,000. She has also forwarded my contact information to 14 of her other reps in the area. Moreover, she also mentioned that if we keep doing as well as we have been doing to service her, we could easily end up with ALL of her business next year! That could easily result in an increase in our business by over \$30,000 in 2010!

I have also signed up hotels with their own card and within the last 3 days and they have sent 8 tables to our restaurant that would have never come in without this initiative!

We are also hosting a party for one of the largest companies in Greenville for all of their receptionist to come in and sign up for repeat Returns, so when they book our rooms and catering services, they get the rewards!

Just wanted to drop you a quick letter to say **thank you** for Repeat Returns!

Best regards,

Justin
